

## COOLANT & OILS

### Magnetic Drill Coolant

STOCK CODE	DESCRIPTION	PRICE
12595	Coolant 2 Litre Concentrated	£53.50

### Sawing Lubricant

A modern biostable semi-synthetic metalworking fluid suitable for all general machining operations on ferrous materials and high carbon steels. Supercool is widely used in sawing operations.

STOCK CODE	SIZE	DESCRIPTION	PRICE
10031	5 ltr	Goldcut 310 supercool sawing lubricant	£35.00
10030	25 ltr	Goldcut 310 supercool sawing lubricant	£120.00
10032	205 ltr	Goldcut 310 supercool sawing lubricant	£590.00

### Spraymist Coolant

Oil used on spraymist coolant system on saws etc. Highly treated neat cutting oil with low viscosity extreme pressure treatment assists a good tool life and a cleaner working environment.

STOCK CODE	SIZE	DESCRIPTION	PRICE
10207	5 ltr	Spraymist Coolant	£52.00

### Hydraulic & Slideway Oil

Hydraulic oil with a wide range of viscosities for most engineering applications. Excellent thermal stability and corrosion protection with low foaming tendency.

STOCK CODE	SIZE	DESCRIPTION	PRICE
10217	25 ltr	Oil Grade 46	£69.00
10218	25 ltr	Oil Grade 46	£69.00
10082	5 ltr	Slide Way Oil	£39.00
