

STERLING**210 Single Mitre Pull
Down Bandsaw****Sterling 210**

The Sterling 210 is our entry-level bandsaw, but offers great versatility with up to 45° mitring, a coolant system and a cast bow construction, working off Single Phase (240v).

The range of Sterling Pull Down Bandsaws are fast cutting, quiet running and ideal for sawing mild steel and stainless steel materials. They are single mitring with a quick release vice resulting in a good all round saw for the fabrication and engineering markets.

Machine Features

- Gravity Downfeed
- Quick mitring swivel head up to 45 degrees
- Cast bow construction
- Carbide blade guides for high accuracy
- Heavy duty
- Coolant System
- Blade tension indicator
- Single Phase (240v)
- Variable blade speed
